Our Community

written by Loleta Robinson

Our community is such a quiet little place,
Not very often you see someone else's face,
Just occasionally someone drops in for a chat,
I guess we think warmer weather's a better time for that.

In the winter us older folks don't stir out much,
We work at our hobbies, quilts, paintings, plaques and such.
It's so nice to have a little hobby or two,
Without them I hardly know what I would do.

I'm not really an expert at it yet, you see,
But if I keep on trying, I'll bet I can be,
If I'm on God's side, I won't really fail,
When I ask Him for help, it comes like a sail.

So you who think you can't make a thing pretty,
Give it a try please, or it will be such a pity.
I'm pretty sure you'll all be glad that you did,
And I don't think you'll say, I'm telling a fib.

We're so proud of this community where we live,
We know if we needed, everyone would give,
So let's work together in doing God's will,
And He will all of His children love still.

Our little community has two churches with steeple,
But that isn't all, it has some really nice people.
We love our community with all of its favor,
But love Jesus above all, who is our savior.

Adam & Megan Monroe with Zane

Adam and I have been together for 4 years and finally got married on 9/10/11 in Charleston, South Carolina. A double ring ceremony was performed in the gazebo at Battery Park under moss covered live oaks. Zane was our ring bearer and he gave me away to Adam. The weather was beautiful and sunny and we were right by the water. We are all very happy to finally be married! Right after we got married and were having pictures taken, Zane turned around to Adam and said, "You are welcome for giving my mom to you!". It just melted my heart! Such a sweet moment and such a sweet boy!

Kadi Inman (2-7-1A-2) and Andrew Penrod were married on Saturday, July 16, 2011. It was an outdoor wedding on a very hot July afternoon in Grove City, Ohio. The wedding was attended by many family members and friends. The ceremony was conducted by a lake which made a beautiful setting for pictures. The reception included catered Italian food, traditional wedding cake, and a DJ.

Martin Dennison

On Saturday, March 20, 2010, Martin Dennison (2-2-5) was one of eight alumni athletes, inducted into the Clermont Northeastern High School Sports Hall of Fame. Martin graduated from Clermont Northeastern High School in 1972. The induction ceremony took place at the former C.N.E. Middle School and it included a banquet attended by family and friends of the inductees.

The inductees are selected by a committee that opens nominations to the public each year. The criteria for this award are based on the athlete's involvement and accomplishments not only during high school, but also after they have graduated.

During his years at C.N.E. High School, Martin lettered in Wrestling, Track and Cross-Country. He was an All-Star in all three sports, plus he was a league champion in Wrestling. In Cross-Country, he was part of the 880-yard relay team that still holds the C.C.L. League record.

After graduation, Martin coached youth community sports teams, Quad-City Soccer in Wood River, IL, Rindge Soccer and Jaffrey-Rindge Little League Baseball in New Hampshire. After moving back to Batavia Ohio in 1985, Martin founded and coached the C.N.E. Youth Wrestling program. He also coached wrestling at Clermont Northeastern Middle School for a few years.

Martin was later elected to serve on the Board of Education for the Clermont Northeastern Local School District. One year of his term, he served as President of the board.

Those attending the banquet with Martin included, his wife Beverly, both sons and daughters-in-law and his grandchildren. Also attending were Geraldine, Marlin, Garywayne, David & Jackie Dennison, as well as two nephews Jacob & Joeseeph Rounds and Barbara Rounds, his mother-in-law.

After dinner, the inductees were announced and each made a brief speech. As new members, each received an engraved gold star and their names have been added to the perpetual plaque that is displayed at the Clermont Northeastern High School.

His legal name is Charles Arthur Dennison, and we are calling him Charlie. He was born April 26 2011, and was 7 lb 7 oz, and 19.5 inches.

I (Becky) am responding for Trevor since I am the one who cares more about pictures and things. I have attached a few, but I have so many more pictures of Charlie that I love! (I can't help it, I'm a proud mom). I am attaching web versions so if you want a larger image let us know. These will send much easier since the files are huge.

Info: Trevor, Becky, and Charlie Dennison live outside the Twin Cities in Maple Grove, MN. Trevor is an Enterprise Data Architect (computer programmer) at General Mills. Becky has a J.D. (law degree) from Hamline Law School and is currently staying at home with Charlie.

Jessica Marie Dennison, daughter of Donald and Sarah Dennison, marries Jacob McColley on September 29, 2011 in Hampton, VA where they currently reside. The couple will be moving to Chicago in July where Jessica will complete a one year fellowship in Obstetrics. Then hopefully, they will get to come back home to WV.
